To Whom It May Concern:

Thank you for your interest in the Public Access Safety Cabinet system supplied by Cardiac ReStart including related software monitoring systems. I'm writing to confirm that Advocates for Health and AED Smart Monitoring system is the sole and exclusive partner and distributor of all designs and systems for Cardiac ReStart and the sole provider in your marketplace for the AED Smart Monitored Cabinet system.

The Cardiac Restart unit consists of Type 304 stainless steel housing and a customizable LED illuminated topper that is unique in the US marketplace and otherwise unavailable to any other distributor. The AED Smart Monitoring system has enhanced features that include:

- Call center alerted when AED is taken
- Custom text alerts programmed
- Custom email alerts programmed
- GPS tracking when AED is taken
- Follow up on emergency notifications
- Follow up on non-emergency notifications
- Replacement of AED pads when needed
- Replacement of batteries when needed
- Full warranty for labor and materials of AED and cabinet
- Software updates of AED and cabinet

Cardiac ReStart and AED Smart Monitoring currently have no authorized distributors other than Advocates for Health.

Please call me with any questions regarding this.
